

ReelAbilities

FILM FESTIVAL LOS ANGELES

HOW TO SUBMIT LOGOS

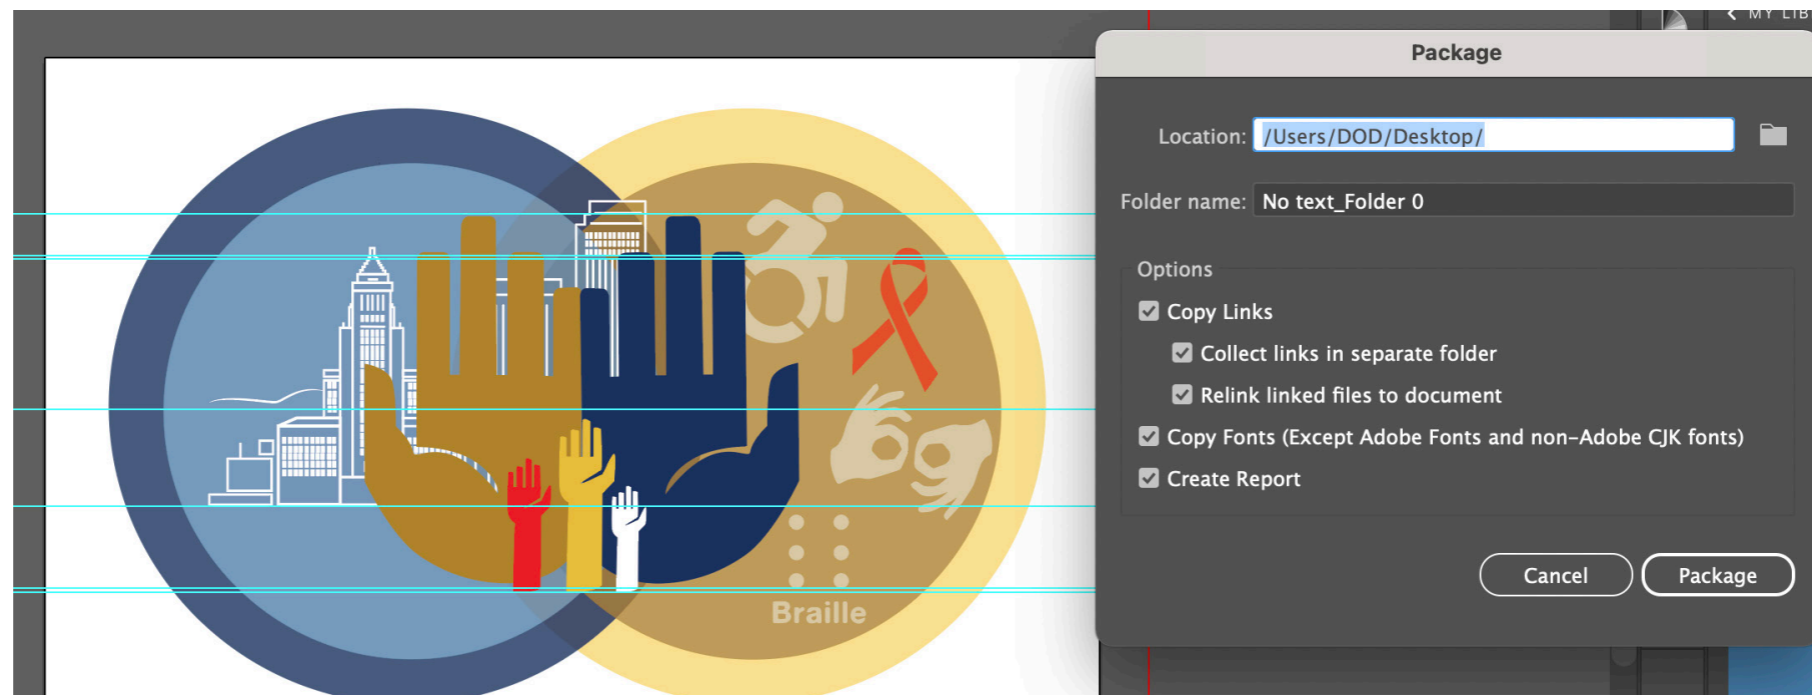

Vector file

Vector illustrations that are submitted to the Department on Disability must be of professional quality. Each file will be evaluated by a member of the ReelAbilities LA team.

File requirements for vectors:

We accept Adobe Illustrator (AI) files that are:

- Packaged properly, all links must be included as well as the fonts
- Must be compatible with the latest version of Adobe Illustrator

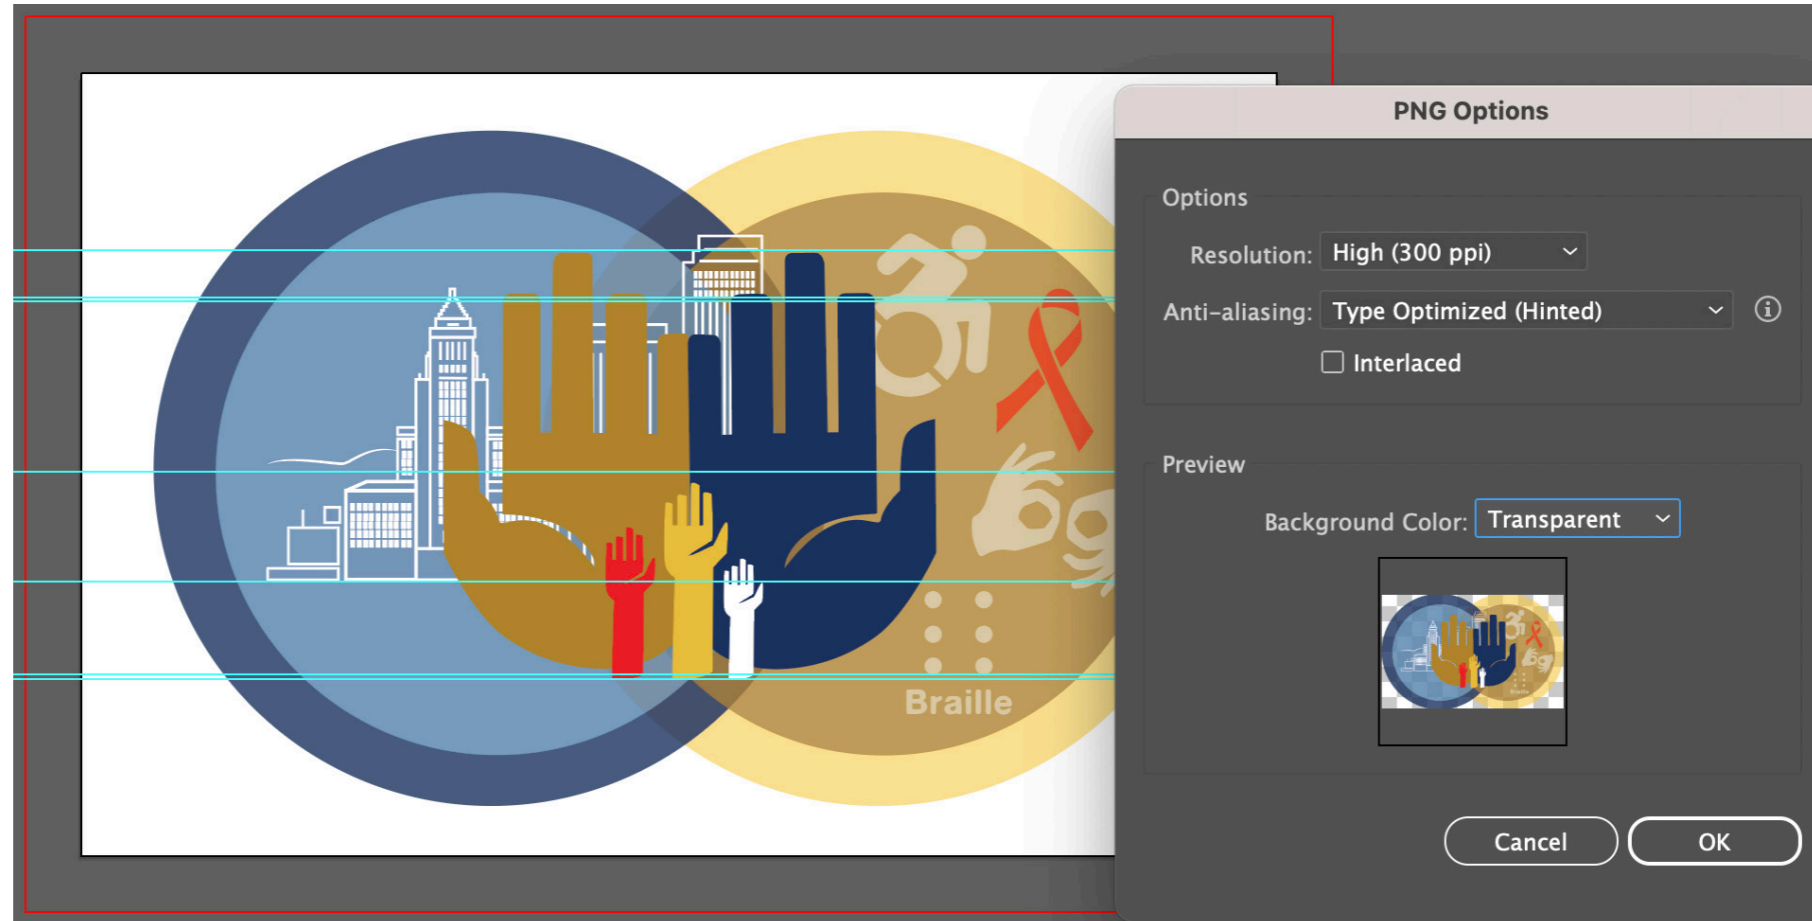

PNG file

PNG files that are submitted to the Department on Disability must be of professional quality. Each file will be evaluated by a member of the ReelAbilities LA team.

File requirements for PNG files:

We accept PNG files that are:

- Saved as a high resolution ppi
- We prefer PNG files with transparent backgrounds

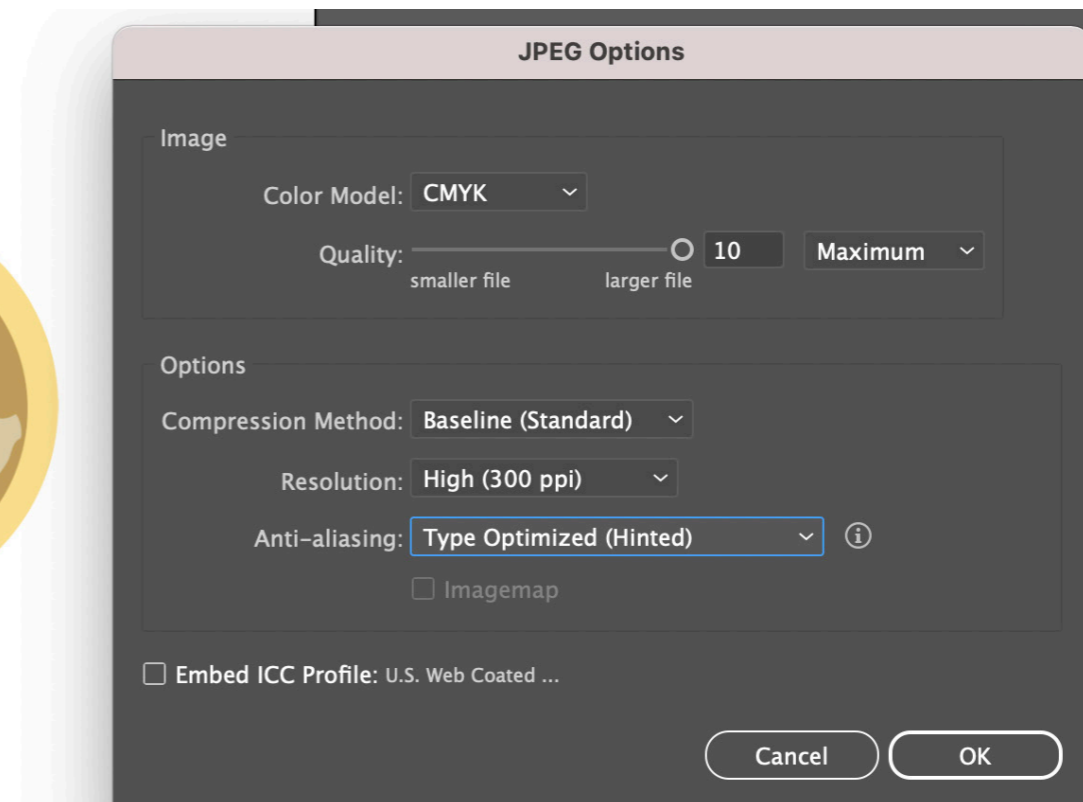

JPG file

JPG files that are submitted to the Department on Disability must be of professional quality. Each file will be evaluated by a member of the ReelAbilities LA team.

File requirements for JPG files:

We accept JPG files that are:

- Saved as a high quality (10 maximum)
- We prefer JPG files saved as CMYK color properties

Quality and Color Contrast

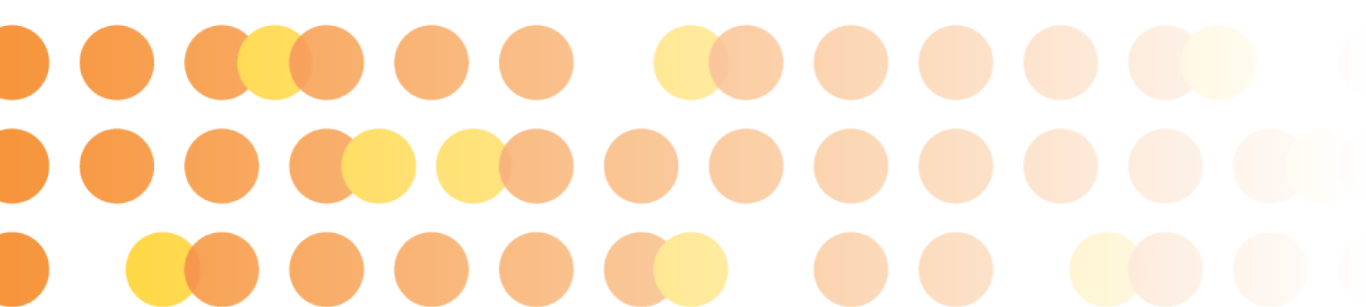

● Quality

Low-resolution files will appear pixelated and blurry on both printed and digital platforms.

● Color Contrast

Providing secondary and third color options will help with any color contrast issues that may come up during the design process.

Uploading Files

Submit the logo files using the [submission form](#)
